Canvass Votes from March 14, 2023 Election

Commissioners canvassed the votes from the March 14, 2023 school bond election.

Elections Clerk Bonita Sutton presented the results from the election. She reported the election went pretty smooth with only a couple of hick-ups. There was a power outage in Ashton for about 3 hours so we had equipment running on backup power but it didn't fail. The results of the election were pretty straight forward and had been checked and rechecked 3 different times and 3 different ways to make sure they were accurate. We had a 29.7% voter turnout, but neither measure passed in either school district.

Commissioner Hill made a motion to accept the results of the March 14, 2023 School Election as presented.

Commissioner Dance seconded the motion. The motion passed by majority vote.

Commissioner Hill made a motion to adjourn the meeting at 9:09 a.m. Commissioner Dance seconded the motion. The motion passed by majority vote.

There being no further business to come before the board the meeting was adjourned.

L. Scott Kamachi, Chairman
