

POWER CONNECTION ORDINANCE

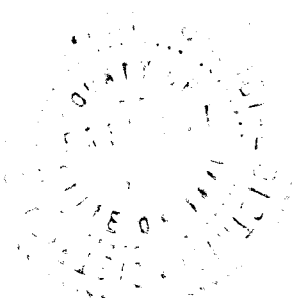

81-2

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF Fremont COUNTY, IDAHO, that it shall be unlawful for any utility, private or public, furnishing power, electrical or otherwise to any person, to connect or permit connection of said power to any person or other entity until such time as said person or entity has shown to said utility or other company a building permit issued by Fremont County; provided, that said utility and/or power company may rely on what purports to be a duly and regularly issued building permit.

The requirement for presentation of a permit shall apply to the connection or furnishing of power to mobile homes and houses as well as other construction and/or installations, wherein such building permit is required by County Ordinance.

It shall be a misdemeanor for any utility and/or power company to violate this ordinance and it shall be a misdemeanor for any person who misleads the utility and/or power company by showing a permit which is not duly and regularly issued or which does not cover the construction and/or installation for which the power is sought.
